OUR TCP PROCESS

"I have recently received a call from the Housing Officer on behalf of the residents of x Court, wanting to pass her thanks on to Kevin. She informed me that he has been extremely helpful throughout the whole process of the Total Care Package from start to finish and even afterwards. Once again many thanks from the residents and from myself."

Mr Thomas, "X" Council, Lincolnshire

*The total care package is provided for two years from date of product installation. The package covers a pre installation site visit, a post installation site visit, and up to one follow up visit if needed within the 2-year period. Additional physical visits chargeable with a fee on a case-by-case basis. We will provide email and phone support for the lifespan of the installation
